## "RESULTS ARE WONDERFUL," WOMAN STATES

Wife of Prominent South Bend Contractor Tells of the Benefits She Gained From Tanlac.

### HOUSEWORK EASIER NOW, SHE DECLARES

Mrs. Jasper E. Annis Highly Recommends the New Preparation for Others—Terms It Best.

The convincing thing about Tanlac is the manner in which local people publicly endorse the new medicine. Day after day South Bend residents tell of relief the premier preparation has given them, proving the new medicine to be what it is claimed to be. Among the hundreds of South Bend people who have found Tanlac surprisingly beneficial is Mrs. Jasper E. Annis, wife of a prominent and well known contractor, who lives at 1204 Carroll street, this city.

"For a long time I have suffered from rheumatism and my system has been in a general run down condition," Mrs. Annis told the Tanlac Man on October 18. "I had severe pains in various parts of my body and my joints often became swollen and stiff. My health in general was very poor. I felt weak, and tired and worn out nearly all the time."

"A good friend prevailed on me to take Tanlac and on her recommendation I decided to give this new medicine a trial. The results I've gained from one bottle of Tanlac are wonderful. The rheumatic pains are rapidly disappearing and the swellings of my joints have vanished entirely. My joints are not so sore and stiff now. The tired, worn out feeling I formerly experienced has left. My housework is easier now."

"I recommend Tanlac. As a tonic and system purifier, it's the best medicine I ever tried."

"People who suffer as Mrs. Annis did—who feel tired, worn out, half sick all the time—will find Tanlac just what they need," the Tanlac Man told inquirers at the Public drug store yesterday. "It banishes the tired feeling and produces strength and energy. Tanlac also is fine for stomach, liver and kidney trouble, catarrhal complaints, rheumatism, nervousness and the like."

Tanlac is now being introduced in South Bend at the Public drug store where a special Tanlac representative is explaining the new medicine to the public daily.—Adv.

## "BABY BANDIT" FLASHES A GUN

### Lad Ten Years Old Tries to Intimidate Officer With Unloaded Weapon.

South Bend has a "baby bandit" which it can claim for its own. This is how the young brigand was discovered.

Merchant Policeman Tom Butler was making his rounds Tuesday night about midnight when he noticed two little tykes near the rear of the Unger cigar store on E. Jefferson Blvd.

As Butler started down the alley to investigate one of the lads, piped up, "Want to talk to you?"

"I want to talk to you," answered the officer.

When Butler got near the largest of the two lads, a flashlight was thrown into his face by the boy. He made no effort to run, however, and Butler caught hold of him.

Now came the problem of getting the other chap, who was smaller and younger. Without releasing his hold of the one boy, Butler made a grab for the other. Nimble the boy dodged and kept on dodging for two or three tries.
